

INSTANT GREEN LAWN & GRASS COLORANT

- Turns brown grass green on contact and stays locked on for up to 3 months.
- Is an effective antitranspirant to reduce the watering needs of grass, evergreen trees and shrubs, even with limited watering.
- Is safe for children and pets.
- Available in two beautiful green colors, light and dark.
- Is easy to apply and safe for the environment.
- Eliminates the need for mowing and edging.

SHOULD BE USED FOR:

- Enhancing the appearance of live grass and create the "Perfect Lawn" look, even with limited watering.
- Instant Green can be used to color dormant grass, overseed and protect rolled or stacked sod prior and during delivery.
- Perfect for eliminating unsightly lawn blemishes including: urine spots, hard water spots and dirt patches.

This product is made from the finest raw materials available and manufactured to proven formulation under strict quality control for its intended use. However, results obtained with the use of this product under a variety of conditions may depend on circumstances beyond our control. **CONSERVEAWATER** and the seller therefore disclaim any responsibility for damage of any kind. The only warranty extended, expressed or implied, is for defective material.

INSTANT GREEN

lawn & grass colorant

URNS BROWN GRASS GREEN ON CONTACT

- **revives the appearance of dead or underwatered lawns and shrubs**
- **eliminates brown spots caused by dog urine and fertilizer burn**
- **reduces living grass water usage up to 30%**

net 1 gallon (3.78 liters)

DIRECTIONS FOR USE:

For best results pour 1 part **INSTANT GREEN** into 10 parts water. Stir or mix well. Dilute further to match color or mix in additional **INSTANT GREEN** to enhance the grass appearance. It also should be applied to live grass that is under-watered. **INSTANT GREEN** can be mixed up to 1 part colorant to 20 parts water.

APPLICATION: Apply at temperatures above 40° F. Use a standard garden sprayer. Hold nozzle 8-10 inches above turf and apply a light spray. Repeat as needed to achieve desired coverage. Note: can also be applied with a backpack sprayer or a commercial sprayer.

WARNING: DO NOT ALLOW TO DRY ON CONCRETE OR MASONRY SURFACES. THIS PRODUCT WILL STAIN.

Avoid spraying during windy days. Protect driveways, walls, patios, automobiles, patio furniture, etc. If accidentally sprayed onto unintended object or area, wash immediately. When applying, the proper use of safety equipment is required.

May cause skin and eye irritation. If skin or eye irritation occurs, rinse thoroughly with water. Do not ingest.

COVERAGE: 500-1000 sq. ft. per quart or 2000 - 4000 sq. ft. per gallon when using a dilution of 1 to 10.

CLEAN UP: Clean all areas of overspray immediately with water before it is allowed to dry. Protect surrounding areas with tarps or plastic.

STORAGE: Store as you would regular paint. **DO NOT ALLOW TO FREEZE**

NOTE: Due to the natural variation of grass colors, **INSTANT GREEN** will also vary in appearance. The exception is when **INSTANT GREEN** is used on totally brown grass - the appearance will remain uniform.
